Explore our programs

Ready to get started?

Go directly to our website, explore our programs and register your child to be part of an exciting year of faith, creativity, and growth.

In this program, CHMBT is proud to partner with **Judah Christian School** to provide a faith-based enrichment program that blends creativity, academics, and the arts. Students engage in activities such as theater and acting, arts and crafts, music, creative writing, math and language arts support, computer learning, and S.T.E.A.M. projects, building confidence, teamwork, and skills for school and life.

**AfterSchool Care
Program**

In this program, students engage in art, acting, theater, music, and leadership while building confidence and life skills. Students explore creative projects and perform in a live kids' play and summer talent show, bringing their talents to the stage.

**Summer Youth Art
Camps**

This is our newest program, and it provides a safe, engaging option when school is closed. Children enjoy a fun and enriching day filled with movies, games, arts and crafts, acting and theater, computer education, and leadership activities, combining learning, creativity, and positive social interaction in a supportive environment.
